

SELF INTRODUCTION

Hi EDYODA TEAM,

I would like to thank you for giving me this opportunity and it's my pleasure to introduce myself.

I am **BHUVANESHWARAN B** from **Ramanathapuram**. I have completed my UG **BE-MECHANICAL ENGINEERING** in **Syed ammal engineering college** with 65.80% and year of passing (2015-2019) in ramnad. I have completed my **HSC** in **Syed ammal higher secondary school** with 72.25% in ramnad. I have done my **SSLC** in **Syed ammal higher secondary school** with 92% in ramnad.

My strengths are my attitude that I like to take challenges that I can do it, my way of thinking that I take both success and failure in a balanced manner. My short-time goal is to be placed in a reputed company.

Telling me about my family background my father is a farmer and my mother is a housewife. I have one younger sister, she is studying nursing in Coimbatore. And now I'm coming to my hobbies are playing carom & other outdoor games.

Telling me about why I choose this course?

In 2019, I was working in Hyundai manufacturing company in Chennai, since due to COVID situation, I came to my native in that period my brother referred me to study about coding, so I referred YouTube channel and other webpage to learn about little bit basic of Java and Python. And also I am interested in programming language but I am fresher in IT-Field, that time Edyoda will call for me to HTML, CSS, JAVASCRIPT, etc. It will be very useful and learn about programming language, It will be a wonderful opportunity to me, it will level up me next stage. That's all about me sir. Thank you for giving wonderful opportunity and greatful thanks about Edyoda team.

Thanking you,

Bhuvaneshwaran B
